Winnipeg School Division Nursery Program 2022-2023

Dear Parent/Legal Guardian:

The Winnipeg School Division Nursery program is available on a **no fees basis** to students who are **residents** of the Winnipeg School Division. Residency is based on where the primary residence of the student's parent/legal guardian.

You are required to inform the School's Administration should you move outside of the Winnipeg School Division boundaries at any point during the school year; at which point, you would be considered a non-resident of the Division.

The non-resident Nursery Program fee for the 2021-2022 school year was \$5,000, per child. This fee is subject to change for the 2022-2023 school year. If you become a non-resident during the school year, a prorated fee will be payable in order to continue in the program. Fees are payable monthly, on the first day of each month.

Please sign and date below indicating that you are aware of the Non-Resident policy as it applies to the Winnipeg School Division Nursery program.

Winnipeg School Division

I am aware of the Residency policy as it applies to the Winnipeg School Division Nursery program. Should I become a Non-Resident, I agree to pay the applicable fees for my child(ren) to continue in the program.
