NEWSLETTER

OCTOBER 2025

Dear Parent/Guardians and Families,

It has been a great start to the year so far! As students and staff settle into familiar routines, the sights and sounds of movement in the halls and students in classes have ignited within our school once again. Having a busy start to the year, classroom learning has blossomed with a new energy in the school, and we all look forward to the experiences that this year has to offer.

It was wonderful to see all the families who participated in our Meet the Staff night. Having the doors open to the parents and the community is a continued goal we want to have here at Wellington School. We believe in working with families and community to ensure the best educational programming for all our students.

To raise funds for cancer research, all students participated in the Terry Fox Run. It is amazing to see the level of support for such a great cause. From the bake sale to the assembly and field run/walk, thank you to all organizers to make this year's event possible.

All students from Nursery to grade 6 learned about the significance of "Orange Shirt Day" – Truth and Reconciliation Day through classroom discussions and infused lessons about the history of Residential schools and the impact on the Indigenous community. Throughout the weeks leading up to Truth and Reconciliation Day we had a daily read aloud from the Grandmother and Grandfather: Native Reflections Book Series that taught the importance of Elders, Eagle Feathers, Dream Catchers, The Drum, and Smudging that afterwards teachers had whole class discussions about. Staff members and students wore orange and participated in a community walk to honor survivors and children that were gone too soon. We had an assembly followed by a community walk to help raise and support awareness.

This year, Ms. Calanza and Ms. Norie switched up pancake breakfast to our first ever Poutine-a-palooza. It was a hit!! On October 1st the wonderful smell of french-fries, gravy and cheese filled the air, and we were able to serve over 300 poutines. Thank you to all staff who made this event possible.

The breakfast program has now started and is in full swing. Students can access this free program every day starting at 8:30. Breakfast is held in the MPR and the Beverley Street doors (closest to the gym) open at 8:30 until 9:00. Late arrivals will also have the opportunity to access the program and grab a bite on their way to class.

We want to thank everyone again for a successful and positive start to the school year. We ask that our families and community take time to enjoy the wonderful fall, and to stay safe, healthy and happy.

Sincerely,

Emil Contreras

WINNIPEG SCHOOL DIVISION

LUNCH PROGRAM

(Dixie Halladay)

We ask parents to please go over the lunchroom rules with your children on a regular basis: Our policy follows School Division guidelines. When a child misbehaves the first time, a verbal warning will be given. The second time, a written letter will be sent home. Within this letter it will state that your child will be removed from the Lunch Program. Then you will need to make alternate arrangements for your child. In the event of a serious incident - your child WILL BE REMOVED immediately without warning.

We would like to encourage you not to send soda pop. Nut and seafood allergies among children are becoming increasingly common; therefore we have a NO NUTS & SEAFOOD policy. We have many other allergies as well, children are not allowed to share or exchange their snacks or lunches.

As of right now, microwave service is unavailable. Please send a lunch that doesn't need to be reheated.

The One and Only Me!

Room 217

by: Ms. Lenhardt Mair

Room 217 has been getting to know each other and celebrating our uniqueness! We are learning about ourselves, each other and our classroom community. We are celebrating neurodiversity with our lesson series and learning about our brains during mindfulness and learning about self-regulation strategies.

Students are learning about what makes them special and unique and celebrating their differences!

We learned that everyone has similarities and differences! We all have fingerprints, but our finger prints are unique to us!

We read the book *Be Who You Are* by Todd Parr and learned about loving ourselves and our friends.

Criteria:

- I printed my name
- I drew myself
- I added my finger print
- I shared at least 1 thing I am good at
- I did my best work
- I stretched out my words
