**Subject: Information Evening for Grade 10 Students & Families –
*4- Week France Reciprocal Exchange Program***

Dear Parents/Guardians,

We are excited to inform you about an upcoming opportunity for Grade 10 students in French Immersion. There will be an Information Evening on October 16th for families of students who are interested in participating in the 4-Week France Reciprocal Exchange Program this Spring.

This exchange program offers students the chance to immerse themselves in French culture and language through a reciprocal experience: each student lives with a host student and their family in France for a month, and in return, that student comes to live with their Canadian host family. The Information Evening will provide details about the program, including eligibility criteria, dates, costs, and the application process. We highly encourage interested students and their parents to attend to learn more about this incredible opportunity.

When: October 16th, 2025 7pm-8pm

Where: Kelvin High School Library- 155 Kingsway, Winnipeg, MB

Who: Grade 10 students and parents/guardians

Representatives from the program will be available to answer any questions and provide further insights into the exchange experience.

If your child is considering this exciting opportunity, please mark your calendars and plan to join us for this informative session.

We look forward to seeing you there!

Sincerely,

Kelvin Administration
