October Newsletter 2023

Greetings Argyle Community,

It is hard to believe that one month of school has already passed and we are into October. We hope that the first month of school has been successful and positive for students and families. I have been impressed with how responsible and respectful students have been. It has made for a great start!

In October we will continue to focus on creating student success and building a vibrant community. Teachers have been working hard to provide engaging learning experiences for all students. For this reason, it is important that students attend class every day.

We have some exciting events and learning opportunities this month. In October, Argyle staff and students will continue our learning journey for Truth and Reconciliation. The whole school will attend the National Residential School Museum in Portage La Prairie. We invite parents and caregivers to join us for this learning opportunity. Exact date to be announced. On October 19th, we will host a dinner for all grads and their families. This is an opportunity to hear about grad plans, ensure students are on track and start planning for life after high school.

I would once again like to invite all parents/caregivers to join us for our monthly Argyle community gatherings. This is an opportunity to meet (virtually or in person), hear about what is happening in the school and share your voice. We currently have a very small group signed up to take part, please consider joining this community of caregivers to listen and share your voice.

Please feel free to reach out to me at any point throughout the school year.

Graduating Students & Their Families

Why: We NEED to prepare for your child's
Graduation this upcoming June 2024

Where: Argyle Alternative High School

What: Dinner will be provided, guest speakers and
resources will be shared

When: Thursday, October 19th- 5-7:00pm

Child Care Provided!

Things to consider:

What are your child's goals after graduation?

Do they intend to join the workforce?

Do they have a resume?

Have they ever had a job interview?

Is there volunteer experience on their resume?

Entering a Skilled Trade?

Are they considering post-secondary education or
post-high options?

Post-Secondary education costs money, how will
they pay for it?

Scholarships and Bursaries are great options; do
they know how to write a Biography?

Do they know how to fill out a scholarship or
bursary application?

Youth Tuition Waivers are available at many post-
secondary institutions, what are they?

Do they have the correct courses to attend post-
secondary?
