Principal's Reports

- Thank you to the parent council for supporting grade 6 camp with funds. The staff and students are very thankful.
- Winter camp day went great. There were many fun activities for the kids however, broomball seemed to be the favourite.
- Had a wonderful I Love to Read month. There were a variety of guest readers, including MLA Wab Kinew, and activities for the students to participate in. We gave many books away as prizes to further encourage literacy. Wab Kinew was touched by a letter, titled '*What Wab Kinew Should Know*', that was written/read by one of our grades 3/4 classrooms that he reached out to the teacher inviting her and her students to attend, *Question and Answer Period*, at the Legislature this past Monday, March 20th.
- Had a wonderful neurodiversity day. Children were engaged in many different activities; it was a great success.
- Grade 6 farewell will be on Tuesday, June 27th. Information will be passed along to families soon.
- Thank you to the community for coming to join in on the student-led conferences last week. The students were very excited to share their portfolios with their family members.
- Spirit week has been a big success this week. The students have had a blast exploring their creativity each day. It's been a great way to head into Spring.
