

○ ○ ○ ○ ————— PRAIRIE ROSE SCHOOL
COMMUNITY REPORT

2024-2025

PRAIRIE ROSE SCHOOL'S MISSION STATEMENT

Prairie Rose School respects the individual needs of all children and fosters a caring, creative and safe environment of acceptance and encouragement that allows all students to develop socially, emotionally, physically and intellectually into responsible global citizens and lifelong learners.

WSD MORAL PURPOSE

Winnipeg School Division provides a learning environment that fosters the growth of every learner's potential and provides equitable opportunity to develop the knowledge, skills, and ways of being necessary for nurturing a just, sustainable, and democratic society where everyone belongs, thrives, and is included.

OUR SCHOOL

Prairie Rose School is a Nursery to Grade 6 school in the Northwest corner of the Winnipeg School Division. Prairie Rose School is very proud to have a wonderful program that helps provide the necessary supports students may require. The school is home to an Adapted Skills Program (ASP) and Nursery to Grade 6 classrooms. The ASP program combined with the integration of arts, sports, education for sustainable development along with high standards for academics, make Prairie Rose a wonderful school for students to learn, grow and flourish. We ensure that all students are included in the learning process according to their intellectual, social, emotional, and physical needs. We value community involvement in both curricular and extracurricular activities. We honour and appreciate the cultural diversity of our community, thereby enabling all of our children to grow and learn in a constructive and holistic manner.

HIGHLIGHTS 2024 - 2025

The education of your child is of great importance to Prairie Rose Staff. We ask that you join us in celebrating the educational journey of 2024-2025 featured in our Community Report. We work collaboratively to ensure that your child finds Prairie Rose School to be a safe and stimulating learning environment, with lots of joy, love, and rigour. The entire Prairie Rose School Educational Team worked diligently to help each student achieve their learning goals. This Community Report has been compiled to provide you with the highlights and achievements of the 2024-2025 school year.

WINNIPEG SCHOOL DIVISION

PRIORITIES

2024 - 2025

01. INDIGENOUS EDUCATION

Prairie Rose staff (teachers, educational assistants, clerk, and custodians) participated in a 2-day Treaty Education Training to learn more about Treaties and ways to integrate Indigenous Education more into daily lessons. We held a school-wide Indigenous Activity Day that involved different Indigenous education in six different stations: artwork, beading, outdoor games, dance (jig), food (Bannock) and Smudging. Thank you Ms. Whitney and Ms. Sydney for volunteering your time to teach us about Smudging. As a school, we had planned to attend our Divisional Pow Wow, but due to poor air quality health index, we were unable to attend this year and instead extended our learning at school with Indigenous activities.

02. INCLUSION & INTEGRATION

Prairie Rose School offers services to all students and gives access and opportunity for every single child. These opportunities include Special Olympics events, music therapy, food experience, adapted gym and aquatics, sensory and fine motor groups, and direct access to a full range of clinicians. Range of programming both in and out of the classrooms are based on students' individual strengths. Belonging is a basic human right that is practiced at Prairie Rose School. Prairie Rose School believes that inclusion benefits all children, with and without exceptionalities.

03. INTERSCHOOL SPORTS

Prairie Rose provided different opportunities for students to stay active and involved in different sporting activities. Students have participated in the following tournaments this year: volleyball, basketball, soccer, ultimate football and in addition to, participated in Track and Field and Fit Run. Intramurals also occurred every other day during the lunch hour. These included: floor hockey, soccer, dodgeball, ultimate football, badminton, basketball, volleyball and students practiced for Track and Field and Fit Run.

PARENT / GUARDIAN INVOLVEMENT

Our Parent Advisory Council (PAC) has been an active support this year and provided different opportunities for input from parents/guardians during monthly PAC meetings. They helped with the monthly pizza lunch fundraisers and led the Chocolate Fundraiser. They also ran a Lunch Program and provided lunch supervision. Meet the Staff Night and Community BBQ has been a huge success this year! We drew prizes and invited local community agencies and members like the Bear Clan to attend. Parent/Teacher and Student-Led Conferences were a success with 97% attendance. It was helpful to have parents/guardians volunteer in school events and field trips.

COMMUNITY INVOLVEMENT

We participated in a Truth and Reconciliation Assembly and Awareness Walk and Kindness Walk within our community. We also contacted Take Pride Winnipeg to provide us with garbage bags and gloves in order for staff and students to partake in a Community Clean-up in spring.

Our play-structure has been updated this year! We received a brand new play-structure and playground Communication Board for community members to enjoy the entire year.

TERRY FOX DONATION

On September 25th our school participated in the Terry Fox run. Throughout the month of September, students collected donations for cancer research. We collected just over \$400 for cancer research. Terry would be so proud!
