Dear Parents/Guardians,

Children Of The Earth High School is very excited to invite you to a free, safeTALK certificate training, with a tasty lunch included. The training is at the school on Thursday February 15th, 2024, from 10:00am-3:00pm. Lunch is at 12:30pm and light refreshments will be served at 9:45am. There will be free food items to take home and a free raffle for participants; get a chance to win a gift card! Childcare is available upon request. Please contact the school's Community Support Worker, Ti-Oluwani Friesen.

SafeTALK is a suicide alertness training certificate program that prepares caregivers to become a suicide alert helper. This is a fantastic way for families to support the mental health and wellness of loved ones. As well as having the opportunity to add a certificate training to your resume.

There is a limited number of spots available, seats are secured after signing up one of the following three ways.
