SHAUGHNESSY PARK SCHOOL

At Shaughnessy Park School, we envision a vibrant community where diversity thrives and inclusivity reigns. Our commitment is to provide a nurturing environment where every child is embraced, valued, and above all, safe. We believe in the power of education to unlock potential, achieve academic excellence, and equip students for the challenges of tomorrow. At the heart of our school are core values that guide us all: **respect, safety, and responsibility.** But our vision extends beyond academics. We are dedicated to fostering holistic growth—social, emotional, physical, and intellectual. Wellness is not just a goal; it's a way of life. We offer myriad opportunities for both students and staff to engage in health and wellness

activities, promoting a culture of well-being throughout our school. Moreover, we recognize and celebrate the rich tapestry of cultures and traditions that make up our community. Our *Indigenous Student Success Committee* is actively collaborating with teachers to infuse Indigenous pedagogy, languages, and culture into our daily teaching practices. Together, we strive to create an environment where every individual thrives, where every voice is heard, and where every dream is within reach. This is our vision for Shaughnessy Park School—a place where diversity is celebrated, inclusion is embraced, and success is achieved by all.

OUR GOALS AND OBJECTIVES

Our overarching goals for Shaughnessy Park School encompass fostering inclusivity, enhancing academic success, nurturing social and emotional development, ensuring safety and well-being, promoting Indigenous education and awareness, and encouraging health and wellness. To achieve these goals, we aim to increase representation of diverse cultures in curriculum materials, implement literacy and STEM enrichment programs, introduce comprehensive social-emotional learning initiatives, conduct regular safety drills, integrate Indigenous perspectives into the curriculum, and provide a range of physical and mental health resources and activities for our school community. Through these efforts, we aspire to create an environment where every student feels valued, supported, and empowered to thrive

PRIORITIES FOR 2024 - 2025

THE PRIORITIES FOR 2024-2025 SCHOOL YEAR WILL CONTINUE TO FOCUS ON ACADEMIC AND SOCIAL SUCCESS FOR ALL LEARNERS

As we embark on the new academic year, our school's priorities are grounded in inclusive action and **unwavering support for every student**. We commit to **upholding the *Calls to Action***, ensuring we work to improve education attainment levels and success rates, develop culturally appropriate curricula, enable parents to fully participate in the education of their children, and respect and honour Treaty relationships. We commit to fostering an environment where diversity thrives and all perspectives are celebrated. Our focus extends beyond academic achievement; we pledge to prioritize the **holistic well-being of each student, ensuring they feel seen, heard, and valued** in every aspect of their educational journey. Central to this mission is our dedication to **promoting regular attendance** and providing robust support systems to address any barriers to learning. By championing inclusivity, upholding the *Calls to Action*, active engagement, and holistic support, we aim to cultivate a school community where every student can flourish and reach their fullest potential.

PARENT & COMMUNITY INVOLVEMENT

THIS SECTION INCLUDES THE METHODS WHICH WILL EVALUATE THE PROGRESS IN ACHIEVING THE PROJECT RESULT.

This year, our Community Support Worker has supported parents by providing workshops/events that promote healthy living through nutrition and well-being. Parents have participated in CPR First Aid, Paint and Wellness Workshop, Nutrition Bingo, Drop in Beading, and Ribbon Skirt Making. Shaughnessy Park School participates in the Winnipeg School Division's Food Security Program which provides families with basic food packages. This includes potatoes, onions, bread and many other food items that support a family's needs. In addition, Shaughnessy Park continues to work with Norwest Access and Food Centre.

We are working together to provide support for parents and to build upon existing community and personal strengths of our families.

THE PARENT ROOM IS A SPACE FOR PARENTS TO CONNECT WITH OTHER PARENTS, THE COMMUNITY, AND THE SCHOOL. THE GOAL OF THIS SPACE AND ITS PROGRAMMING IS TO PROMOTE A WELCOMING RESPECTFUL ATMOSPHERE FOR ALL FAMILIES.
