

THE WINNIPEG SCHOOL DIVISION

STUDENT ADVISORY COMMITTEE

SUMMARY OF DISCUSSIONS – Tuesday, May 4, 2021

1. ELECTION OF COMMITTEE CHAIR

Trustee Betty Edel volunteered to chair the meeting.

2. APPROVAL OF AGENDA

The Committee members approved the Agenda of May 4th, 2021 as distributed.

3. Bill 64 – THE EDUCATION MODERNIZATION ACT

Trustee Edel provided an overview on the recent announcement by the Province of Manitoba which included changes to the education system in Manitoba. Committee members were informed that the government spent one million dollars on a review of the education system in Manitoba, however very few of the recommendations from the Commissioners report were reflected in Bill 64.

Committee members were informed that the new governance model includes 15 new regions, plus Division Scolaire Franco-Manitobaine (DSFM) to replace 37 separate school divisions in Manitoba. This would require Winnipeg, St. James, Louis Riel, Pembina Trails, Seven Oaks and River East Transcona School Division to merge into one region for the City of Winnipeg representing 188,540 students. Committee members were informed that local School Boards would be replaced with a Provincial Education Authority.

Committee members were informed that through this new Governance Model School Community Councils would be established in place of Parent Councils. One parent representative of a School Community Council from each of the regions would be elected to the Provincial Advisory Council. This would result in one parent being elected to represent the City of Winnipeg schools and all parents. Committee members were encouraged to share the information with their parents/guardians.

Trustee Edel highlighted some of the proposed changes and the impact Bill 64 may have on programs and services. Committee members were informed that the Province expects \$40 million in savings that would go to frontline education across Manitoba, this equates to one half-time teacher per school in Manitoba.

Trustee Edel provided examples of services and programs that WSD provides to support students and families, such as Nutrition programs, Housing assistance, Health connections, Reading Recovery, Math Pathways, Autism programs, Anxiety Programs, Fetal Alcohol Spectrum Disorder (FASD) Program.

Committee members were informed that Manitoba Education believes that a complete restructuring of education is necessary to find efficiencies, meanwhile, suggestions of modest and less disruptive changes such as merging services would result in immediate savings.

Committee members were also informed that Manitoba Education claims that Indigenous students are falling behind because only 51 percent of Indigenous students graduate within four-years, compared to 90 percent graduation rate among their non-indigenous peers.

Committee members were informed that pointing to a four-year graduation rate as the indicator of success shows ignorance of the socio-economic and social status challenges students face. WSD supports a large number of Indigenous students who return to school and successfully complete their diploma as mature students. Many Indigenous students overcome trauma in order to successfully graduate which may take more than four years to achieve, but is no less a success.

Committee members were informed that they are welcome to voice their concerns to by writing a letter to their MLA's or requesting to appear as a delegation by contacting Manitoba Legislative Assembly to ensure their voices are heard.

4. PROVINCIAL CONSULTATION

Committee members received an overview on the timelines outlined by the Province to consult with parents, Parent Advisory Councils, and School Staff regarding the role and processes for School Community Councils and the establishment of the Provincial Education Authority.

Committee members were informed that during the spring/summer of 2021, the Province intends to consult with parents, parent advisory councils, and school staff on the role parents can play in decision making and the role and processes for school community councils. The Province also intends to consult with education staff and stakeholders on priority actions as well as establishing a curriculum review panel, and a new assessment framework.

Committee members were informed that by fall of 2021, the Province intends to release a road map for the implementation of the priority actions and the timelines for change.

Committee members were informed that by November 2021, the Province anticipates having the Provincial Education Authority established along with the changes to the current school trustee system expected by July 1, 2022.

5. MAPC BILL 64 MEETING INVITATION

Committee members were informed that MAPC is organizing a coalition of parent councils and allies to save public education in Manitoba. Committee members were informed that they may wish to share the details of this meeting with their parents/guardians. Any interested participants can RSVP to info@mapc.mb.ca with "Save Public Education Coalition" in the subject line. Virtual meeting will take place on May 5, 2021 at 1:00 p.m.

6. MINISTER OF EDUCATION'S STUDENT ADVISORY COUNCIL

Committee members were informed that the Minister of Education is receiving application from Students for the Minister of Education's Student Advisory Council. The Student Advisory Council would be comprised of up to 20 Manitoba youth, aged 14 – 18 and would report directly to the Minister of Education. Council members would serve a 12 month term starting in August, 2021 and ending August 2022. Council members would also meet with government staff and education stakeholders via virtual meetings.

Committee members were informed that the Student Advisory Council would discuss and provide input to the Minister on aspects of the education system and how they affect the children and young people who experience it today; bring youth insights to the department and the education sector to help inform the path forward; create a network for students across Manitoba with a way to share their perspectives and advice and; provide feedback on department initiatives and work collaboratively with fellow council members.

Committee members were informed that more information on the Minister of Education's Student Advisory Council and instructions on how to apply to visit <https://bettereducationmb.ca>.

Committee members were informed that the deadline for applications is Monday, May 10, 2021 and successful applicants would be announced in June 2021.

7. RENAMING OF CECIL RHODES SCHOOL UPDATE

Committee members were informed that the Board of Trustees received an overview of the results and confirmed that the school community and the community at large did not speak with one voice. In respecting the two different voices a conclusive recommendation was not reached however, the members of the Committee felt that naming schools after individuals lends itself to conflicting ideals as societal values continue to be in constant flux.

Committee members were informed that at a meeting held May 3rd, 2021, the Board of Trustees approved a recommendation to rename Cecil Rhodes School. A process for consultation will be determined and begin in the 2021/2022 school year to consider a new name for the school. It is anticipated that the school will be renamed no later than September, 2022.

8. WSD 150th ANNIVERSARY

Committee members were informed that on October 20, 2021, WSD will be turning 150 years old. As part of the celebration schools are being invited to participate by creating a school banner that will be installed on lamp posts along Main Street and Portage Avenue. School Principals will provide more information at a later date.

9. ENQUIRIES AND ANNOUNCEMENTS AND SCHOOL REPORTS

SCHOOL REPORTS

Parent representatives from the following schools provided a written report on school activities: (attached):
