- A New Look & Team!
- Terry Fox Run
- Fire & Evacuation Drills
- Common Area Training
- Truth & Reconciliation Week
- Staff & Classroom Spotlights
- Upcoming School Calendar

DATES TO REMEMBER

October 9	No school - Inservice
October 14	No school - Thanksgiving
October 25	No school - Inservice
November 11	No school - Remembrance Day
November 22	No school - Inservice

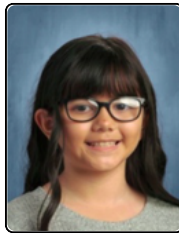

The students, staff, and communities of Winnipeg School Division are committed to truth and reconciliation through building relationships with Mother Earth, the original peoples of this land, and the stories that bring us together. We acknowledge the place in which we gather is on Treaty 1 territory, the homeland of the Red River Métis, and the ancestral lands of the Anishinaabe, Ininiwak, and Dakota Oyate peoples.

A New Look and Team!

By: Mr. Erichsen, Vice-Principal

You will notice a slightly different look to Tyndall Park's newsletter this year - that is because it is being written by student journalists! Six interested, aspiring journalists from grade 5/6 will be writing articles each month that highlight staff members, classrooms, learning, events and other important information from Tyndall Park School. A big thank you to Dana, Shantal, Gwen, Jacob, Gavin, and Sophie for taking on the responsibility of keeping our community informed and Ms. Bembenek for helping out!

The TP Terry Fox Run

By: Jacob Cruz

Students at Tyndall Park School participated in the annual Terry Fox Run on September 20th. The Terry Fox Run usually takes approximately 25-30 minutes to complete. After a brief assembly, students went outside in the astonishing weather and took on a full run around the field while Nursery/Kindergarten students did a smaller run. People have raised about \$350.00 in total and we are hoping to reach about \$450.00 by Friday September 27, 2024. We would also like to thank Ms. Dow for continuing to organize this necessary event for our students. We are also grateful for the teachers, students, and families for their support that makes it all possible.

● Fire and Evacuation Drills

By: Gavin Timothy Fernandez

The Tyndall Park School evacuation drill of the 2024 school year was on the date of Sept 19th. An actual evacuation would happen if it was not safe in the school. The evacuation drill is a walk from Tyndall Park School to Garden Grove School (3.2 Kilometers.) The walk from Tyndall to Garden Grove is estimated to take 18-22 minutes to travel while walking. An evacuation drill happens once every school year so we all know what to do in the event of an actual evacuation. The latest fire drill was on Sept 12. A fire drill happens once every month. Fire drills and evacuation drills are important to practice for any actual fires or evacuations.

● Common Area Training

By: Sophie Barrion

As you may know, Tyndall Park usually does common area training every year. It teaches us about the expectations of common areas, and helps us make good choices in the school (hence the name). Today, I will go over the rules of the halls! Several hallways weave together, combining into a new one. Think of it like a zipper merge on a road. You wouldn't be able to get anywhere with a bunch of drivers bumping into each other! That's why there are speed limits and rules. Now cut back to the hallways- it's EXACTLY the same! We have No Running policies, and H.A.L.L.S (Hands to yourself, All eyes forward, Lips zipped, Listen to the teacher, and last but not least, Single file). We use these rules to make a better community, and to prevent future accidents.

Truth and Reconciliation Week

By: Gwen Guno

Truth and reconciliation, something we commemorate every year...but why do we commemorate it? Residential schools started in 1831 and ended in 1996. The story behind it that showed how blind we were to the situation came to light in April, 2013. Phyllis Webstad, the person who told her story, was a survivor of a residential school. She told us about how bad the 'schools' actually were. Phyllis was the person who told us about her story and how her orange shirt, the only thing that she could keep, was taken from her too. That's why we wear an orange shirt on September 30th. Due to the importance of truth and reconciliation, we will commemorate it for an entire week. We do it to not only apologize for what happened, but also to show we recognize the damage of residential schools through our actions. We need to not only apologize, but also take accountability and make changes.

TP Staff Spotlight

By: Shantal Castillo

Mrs Mospanchuk has been at Tyndall Park since 2012. When she talks about the teachers she says “There is a lot of positive energy and kindness from the teachers which makes everyone feel lots of love and joy.” Her favorite thing is the community because they are friendly and cooperative. She spoke and said “Nothing happens until belonging.” The special events that happen at Tyndall Park are either for our safety, for fun, or for remembering. She stated that she has always had a Vice Principal, but it has not always been Mr. Erichsen. She says her best year is this year, because every year gets better. She says right now Tyndall is becoming quieter and a lot of kids are showing respect.

TP Classroom Spotlight

By: Dana Christopher

Ms. Perreault is a new teacher to Tyndall Park, and is now teaching grade 4 in room 4. Ms. P says that her class is pretty well behaved (but they can be a bit chatty sometimes). Ms. P likes to teach math because it challenges the brain, but she really likes anything hands on. Ms. P has taught grade 7 and 8 at Arbogate school in La Broquerie.

Her students like Math, Writing and Phys-Ed. In Math they are learning base 10, multiplication and place value. On a scale from 1 to 10 they like grade four 11/10! For choice time they like art, Spot It, board games, talking together and dominos. They will have homework very soon, and they like school 50/50.

For the E.A's, they help out with almost anything and everything. Their names are Mr. Shawn and Ms. Therrien. What they like most about the class is the kids always being kind.

This class is amazing!!!
