Principal: Ms. C. da Mata

Vice Principal: Mr. N. Kousonsavath

Important Dates:

- January 5th - School Reopens
- January 10th - Parent Council Meeting
- February 3rd - Common Closure - No Classes
- February 20th - Louis Riel Day - No Classes
- March 14th - Report Cards Go Home via Email
- March 16th - Student LED Conferences
1:00-4:00pm and 5:30-7:30pm
- March 17th - Common Closure - No Classes
- March 24th - Last day of Classes before Spring Break
- Spring Break - March 25-April 2nd
- April 3 - School Reopens

We have completed our first term of the 2022-2023 school year. Many of us are still adjusting as we work towards “returning to normal” pre-pandemic activities and routines. We were very excited to welcome parents back into the building for student led conferences in early December. We hope that there were many celebrations of your child’s learning in the first few months of this school year.

For those students who are requiring some support, AMVC is happy to provide the following:

For homework support- The Learning Centre (TLC). TLC is hosted by two teachers from 3:45-6:00, Mondays - Thursdays in our school library. Students can attend some or all of the days depending on their need and they are provided a light snack while there. For more info, please see our school website for the forms.

For social/emotional support- Guidance Counselling or Clinical Services Support. Alyssia Silverberg is our school guidance counsellor and is available daily at the school. AMVC also has access to clinical support of a school social worker, psychologist and speech and language clinician. Parents who would like access to these supports can contact the school to discuss the concerns and options available to them.

Thank you in advance for all your support in making this a successful school year. Please do not hesitate to call or email if you have any concerns.

Sincerely,

Cristina da Mata

IMPORTANT

Dear Parents/Guardians,

Andrew Mynarski has a cellphone policy that is used throughout the school. Students are allowed to have cellphones at school but cannot use them in class. We ask that parents and guardians please refrain from texting and/or calling their children during class time, as it puts students in the difficult (and often very anxious) situation of wanting to answer their parents call but not wanting to break the rules at school. Please contact the school office if you need to speak to your child during class time. Alternatively, parents can call or text their child over the lunch hour, which occurs daily from 12:18-1:13.

Thank you for your help in keeping your children engaged in their learning during school time.

Cristina da Mata

STUDENT ENTRANCE INFORMATION

All students are expected to arrive at school between **8:45am-8:55am**.

All **Grade 7 students** will be entering/exiting the building using the **SOUTHWEST FRONT** door of the school located by the elevator.

All **Grade 8 students** will be entering/exiting the building using the **MAIN/FRONT** door of the school.

All **Grade 9 students** will be entering/exiting the building using the **NORTHWEST BAND ROOM** door of the school.

Note: Doors will be unlocked at 8:45am, at which point students may enter the building and head to their homeroom class. Please arrive before the attendance bell at 8:55am. Students are expected in their homerooms by 9:00am at the latest. Students that arrive after 9:00am are to report to the Office for a late slip before proceeding to class.

At the end of the day, your child will be dismissed at 3:30pm and will exit out of the same doors that they entered in the morning.

bell schedule

8:45 Entry into School

8:56 Warning Bell – *Period 1 about to start*

9:00am Attendance in Period 1 Class

Arrival after 9:00am – please report to the office.

9:00 – 10:06 Period 1
(O Canada will be played during period 1)

10:06 – 11:12 Period 2

11:12 – 12:18 Period 3

1:13 Warning Bell for Students – *Period 4 about to start*

1:18 – 2:24 Period 4

1:20pm Attendance in Period 4 Class

Arrival after 1:20pm – please report to the office.

IF YOUR CHILD IS LATE PLEASE HAVE THEM GO TO THE OFFICE FOR

SAFE ARRIVAL

At Winnipeg School Division, one of our greatest priorities is ensuring all students arrive safely at school each and every day.

A reminder to parents...

To enhance our absence-checking procedure, we have introduced a new, more efficient student absence reporting system called **SafeArrival**. This new system will reduce the time it takes to verify student attendance, make it easy for you to report your child's absence and easy for staff to respond to unexplained student absences.

Please consider using this option before calling the school to report a late arrival or absence

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

- Using your mobile device, download and install the SchoolMessenger app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
- Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select Sign Up to create your account. Select Attendance then Report an Absence.
- Call the toll-free number **1-855-278-4513** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time

Contact information: if you update your contact information including cell phone number, home phone number, email address, home address, emergency contact person, etc. please inform the school office by email or by phone. We want to ensure that we have up-to-date contact information for everyone should there be an emergency at the school. If you are not receiving email updates from us, please email andrewmynarski@wsd1.org and let us know. We will be happy to look into why you are not receiving updates.

IMPORTANT REMINDERS

What to do when your child is late: Please have your child proceed to the office upon arriving at school. This way we can enter the time your child arrives. Your child will then be given a blue late slip. If your child does not report to the office prior to going to their class, they may not be accounted for and you will get notification from Safe Arrival.

Office Phone: We have a phone in the office that is for students to use. However this is reserved for emergencies only. The office phone is not for making plans with friends, lunch dates, or phoning home to make after school plans.

Website: <https://www.winnipegssd.ca/schools/andrewmynarski> - please check our website for updates. We post all correspondence/ Information that goes home to our Information page under the "Community and Family" tab.

Lockers: We are currently using our lockers. Your child has been assigned a locker and a combination lock.

AMVC is on **Twitter!** Please follow us at @AMVCschool for updates. AMVC is also on Instagram. Please follow us [andrewmynarskischool](#)

Water Bottles: Please ensure that your child brings their own reusable bottle. We have a bottle filling station in the school. This is especially important if your child has Physical Education as sometimes the activity may be strenuous. This will also allow us to be kind to our environment and reduce the number of one use items.

Masks: Are currently optional under the provincial guidelines.

Lunch Break: Students are expected to be outside for 1/2 of the lunch hour which means we expect students to come wearing proper winter gear such as boots, toques, mitts and jackets. If the weather outside is -27 with or without the windshield, students will be inside for the 2nd half of the lunch hour. However if students leave they are expected to remain outside until the bell rings.

IMPORTANT REMINDERS CONTINUED

School Calendars will be available monthly. These will be sent out via email, posted to our website as well as hard copies will be available in the office for those that need one.

School Messenger : School Messenger is the program we use to send out correspondence to our parents/guardians. We utilize it for report cards, permission forms , information, as well as letters throughout the school year and calendars. You may also receive information via telephone.

Please remember that visitors are not permitted in the building. Should you wish to see the Principal or any of the teachers or other staff members, please call the school office to schedule an appointment. We will try our absolute best to accommodate everyone.

Shops Schedule

All of AMVC's students have a chance to attend Sisler High School for Shops classes.

Students are allotted a time on their time tables and are expected to make their own way to and from shops. Please make sure to double check with your child what days they have shops and to be mindful of the times. If your child has shops in the morning, they are to be at Sisler for 9:00am and they end at 11:40am. They can then make their way to AMVC for lunch and then their afternoon classes. If your child has shops in the afternoon they are to be at Sisler for 1:00pm and end at 3:15pm. They can then go straight home.

Grade 7	Grade 8	Grade 9	
Day 3 Afternoon 203 & 205	Day 3 Morning 113 & 128	Semester 1: Day 1 Afternoon 119 & 121	TAP & Skills For Independent Living Day 2 Afternoon
Day 5 Afternoon 206 & 207	Day 5 Morning 112 & 127	Semester 2 : Day 1 Afternoon 129 & 130	

It's hard to believe we are already in the second part to the 2022-2023 school year. I hope you are settled into the new routines of the school year. I am pleased to be continuing at Andrew Mynarski School, in the role as the school guidance counsellor. The beginning of the year can be both exciting and

stressful for students and their families as routines are starting again, there are new teachers, expectations, friends and assignments

Here are some of the things that a guidance counsellor can help with:

- **Managing Stress and Anxiety** Problem Solving Skills **Family or Friend Issues**
- **Goal Setting Time Management** Improving Grades
- **Organizational Skills Building Self-Esteem** Career and School Planning
- **Sexuality**, Sexual Orientation and Gender Identity

I enjoy helping our students develop a greater understanding of their social-emotional and mental health and well-being. Should you or your child wish to speak to me, do not hesitate to call the school or email with any questions or concerns. My email is asilverberg@wsd1.org, or feel free to contact the school at 204-586-8497. My Google Classroom Code is *mtemttt*.

I look forward to continuing to work with the students and families of AMVC for the rest of school year!

Speak to you soon,
Ms. Silverberg-Kaufmann – Guidance Counsellor

THINGS I Can Control	THINGS I Cannot Control
MY CHOICES	THE PAST
MY THOUGHTS	MISTAKES OF OTHERS
MY ATTITUDE	THE PANDEMIC
MY BOUNDARIES	OPINIONS OF OTHERS
HOW I TREAT MYSELF	HOW OTHERS BEHAVE
ASKING FOR HELP	THE WEATHER
HOW I BOUNCE BACK	CHOICES OF OTHERS
HOW I TREAT OTHERS	THOUGHTS OF OTHERS
HOW I EXPRESS MY FEELINGS	OTHER PEOPLE'S FEELINGS

DEVELOPING A GROWTH MINDSET	
INSTEAD OF...	SAY THIS...
I'm not good at this	What am I missing?
I give up	I'll use a different strategy
It's good enough	Is this really my best work?
I can't make this any better	I can always improve
This is too hard	This may take some time
I made a mistake	Mistakes help me to learn
I just can't do this	I am going to train my brain
I'll never be that smart	I will learn how to do this
Plan A didn't work	There's always Plan B
My friend can do it	I will learn from them

My name is Mrs. Gillespie and I'm in the Resource role at AMVC. I have been working with various students in different capacities and want to remind them that they can always arrange a time to meet with me. Resource support at AMVC works hard to support both the staff and students in our building whether it is about academic concerns/needs, social emotional needs, as well as student/staff well-being. I look forward to collaborating in the new year with our students and staff as we continue this journey for 2022/23.

Please feel free to contact me if you have any questions, concerns or comments regarding support. I can be reached through email at kgillespie@wsd1.org, or feel free to contact the school at 204-586-8497."

- *Know yourself and how you learn best*
- *Set realistic goals*
- *get plenty of sleep and rest*
- *feed your body and mind*
- *study/review daily*
- *ask for help when needed*

MATH CLUB

Math Club will take place every Thursday at lunch in Room 119. The club is open to all grade 7, 8, and 9 students interested in working together on challenging problems, participating in math contests, or having fun with math games and puzzles. Our math teachers will be available during this time to guide and engage students in their math discovery and learning.

physical education

The 2023 athletics season has arrived! We should look back at some of the accomplishments from our Return-to-Play interscholastic and intramural programming this Fall.

Congratulations to all the Cross-country runners on an outstanding season. Our Senior Boys team (mainly comprised of Grade 8's), remained in contention all season, for the WSD championship. It looks like they will be a strong team next year.

The Flag Football program hosted a WSD invitational tournament at Frank Whyte CC and our students placed third. Some discussions about continuing flag football or rugby in the spring is under consideration. Our staff played this team during intramurals, and left the field pretty sweaty! Well done players and Mr. Shiaro.

We had five volleyball teams represent AMVC this fall. Some teams attended invitational tournaments around the city. It was exciting to see such a large number of female players involved this season and a very high level of team play from all athletes

Thanks to the Winnipeg School Division for their gracious grant money. We will use this gift to celebrate and recognize all student-athletes and athletic accomplishments in June. Thank-you to all of the parents, family members and friends of the AMVC Phys. Ed. Dept. who have provided transportation to sporting events. We appreciate your time and willingness to help our athletes get to their sites safely and in a timely manner. It is important to note that we require a copy of your valid driver's license and registration on file in the office when transporting other students. Our office staff will gladly assist you with this process (as it provides the driver additional insurance and protection on behalf of the Winnipeg School Division).

Our Basketball teams are presently competing in four levels of play. Some teams will be participating in weekend tournaments to enhance their basketball experience at AMVC. We ask that participants pay \$10 to help off-set the cost of these endeavors. Good luck to all of the teams this season!

A number of students will be running our halls at 3:30 in preparation for the 4 Indoor Track meets at the University of Manitoba this winter. We ask that participants pay \$10 to help off-set the cost of these endeavors.

The AMVC Indoor Soccer team will compete in the Inner-city WSD Soccer League this winter. All games take place over the lunch hour. Students get transported by the WSD to and from these contests. Good luck to Mr. Drabble and our representatives. Shin pads and socks are required for this activity.

AMVC's Winter Fun Day is scheduled for late February. The teaching staff is currently in the process of finalizing activities for this event and we always hope for nice weather to celebrate winter in Canada. Students & families will receive more information (closer to the date) regarding the event.

Mr. Brown hosted Grade 7 & 8 volleyball intramurals during the lunch period in late November. It was well attended and very competitive at times. Thanks to everyone who played in those games.

All students require a pair of indoor runners for Physical Education classes. Please ask your child if they have a pair of runners that fit and are at school. We have loaner pairs, but it's preferred that students bring their own footwear.

Good luck to Mr. Abas (Teacher candidate from the University of Winnipeg) who returns to school after Winter Break. He has been working with students daily and helping our extra-curricular programming. We expect him back sporadically throughout the winter and back for a five-week block in the spring.

Stay active and eat healthy,

Your AMVC Phys. Ed. Dept.

G.S.A GROUP

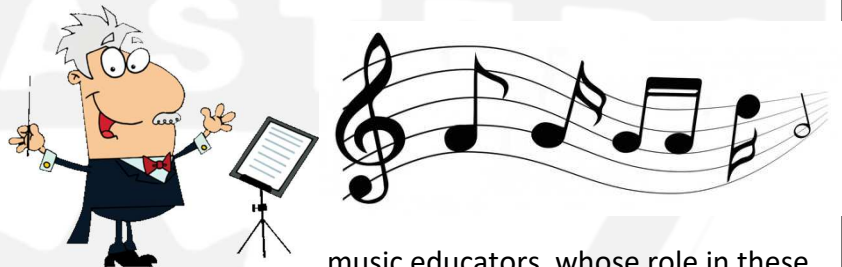

We meet in room 127 at 12:45 on day 4's. If you are interested in knowing more about the GSA please see Ms. Marks or Mrs. Silverberg. The GSA is an alliance for those students who want to support the LGBTT Community. Please come and see what we are all about! Don't forget to bring a friend or two.

NEWS FROM THE BAND ROOM

The first half of the year has flown by and now we're in the home stretch. In December we had our first Winter concert since 2019 and it was fantastic! Our concert bands and jazz bands put on a great show to a packed house, it was nice having live music again!

As we enter into the second half of the school year, things just get busier for our band students. It's band festival season! In March our Grade 9 Jazz Ensemble will be taking part in the Manitoba Band Association Jazz Band Festival. In April, our Grade 8 and Grade 9 Concert Bands will be performing at the Level 1 Band Festival. We end festival season off with our spring music trip, May 16 – 18, where our grade 9 music students will be participating in the Moose Jaw Band and Choral Festival.

The wonderful thing about all of these festivals is, it allows our students to be a part of the wider music community by seeing other band students from around Manitoba and Canada also perform at the festival. They also receive feedback from, and have the chance to work with world class music educators, whose role in these festivals to help our students to improve and bring their music abilities to the next level. We then, end the year off with our Spring Concert on May 31.

music educators, whose role in these

Lastly, we will be having our big music trip fundraising evening, "AMVC's Got Talent!" This night will feature some of AMVC's most artistic students, singing, dancing and playing. Auditions will take place in April and the event itself will be May 3rd, in the gym. Interested students should see Mr. Guilmette in the band room.

As you can see, we have a lot of events coming up for our program. I hope to see you there!

Happy Music Making,

Mr. A. Guilmette

AMVC Band Director

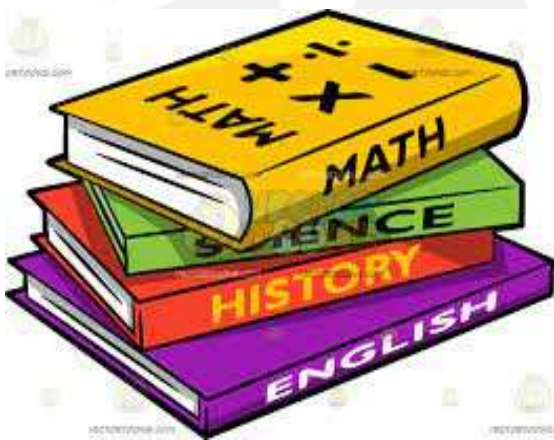

AMVC ARCADE CLUB

The AMVC Arcade club held its first Arcade tournament during the month of November. Over 20 students competed in this month's game "Street fighter Vs. Marvel". A wide range of students from grade 7, 8 and 9 attended. A big congratulations goes out to our tournament winner Anfernie Ocampo! More information on arcade club will come in the new year!

THE LEARNING CLUB

Starting on January 9th the TLC will be opening back up to support all Andrew Mynarski students.

Any grade 7-9 student that wants help with their school work is welcome to come to the TLC (The Learning Center) from Monday-Thursday, 3:45-6:00 pm located in the library. Ms. Spencer or Mr. Plaetinck will be in the TLC to help you with Science, Math, Social Studies, ELA, Health or any other subject. The TLC has free snacks and computers that you can use to help improve or to maintain your grades. If you are interested in having your child attend TLC please contact the office or have your child speak their home room teacher for a permission form.

BADMINTON INFORMATION

Starting in mid-March, any athletes interested in playing badminton will be called for tryouts. The badminton team is coed and is open to all students in grades 7, 8, and 9. Any students interested need to sign up in same-gender pairs. If you have any questions, please see Mrs. Plaetinck. Competitive games will start in April, see you there!

THE SOURCES OF STRENGTH

Sources of strength is a program at Andrew Mynarski made up of students and adults from many different corners and cultures of our school community. We believe that life has ups and downs. That all of us will go through good times and tough times. Our mission is to ensure that during the rough times no one gets so overwhelmed or hopeless that they want to give up. Currently our group are working on a display in the hall to showcase where students and staff find their sources of strength!

Truth and Reconciliation Student Group

The Truth and Reconciliation student group is looking for student volunteers! The group works to celebrate Indigenous culture and promote acts of reconciliation within the school and in our community. The group unites students of all backgrounds and perspectives who are inspired to create a better world and raise awareness for the important work that needs to be done to work towards reconciliation. This year the group has already organized acts such as a community walk; school wide reflections; and bulletin boards and displays that highlight some of our messages and goals. Students have also participated in creative and artistic projects such as loom beading and Indigenous artwork. We have lots more planned for the rest of the year, but need more students to help us. Some benefits of joining the group include:

- Volunteer hours for grade 9 students
- Field Trips
- In-school workshops and programs
- Opportunities to meet new people and connect with students from other grades and classrooms

If you are interested in joining, you just need to attend one of our meetings which take place monthly, our next meeting will be in early January. Listen to the announcements for details. If you have any questions, please see Mr. Drabble, Mrs. Valenzuela, Mrs. Plaetinck or Mr. Bravo.

School Canteen

When: 12:18pm -12:35pm.

Where: We are located by the band room and Gr. 9 entrance doors.

Milk	.25
Granola Bars/ Bear Paws	.75
Chips	.75
Gatorade	2.00
Pizza Pops (2)	3.00
Burritos	2.00

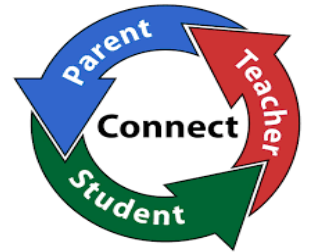

AMVC participates in the Crayola ColorCycle program which repurposes used markers rather than sending them to landfills! The ColorCycle program has repurposed more than 70 tons of markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles. Please help support our efforts by sending your kids in with any **used markers, highlighters, dry erase markers, and/or sharpies. They DO NOT need to be Crayola brand.** Markers can be dropped off with homeroom teachers or Ms. Gross for recycling. Thank you in advance for participating! With your help, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Andrew Mynarski Parent Advisory Council (PAC) is looking for volunteers who are interested in supporting our school and the valuable work we do. We would like to enlist the help of our parents to be active participants on our Parent Advisory Council.

Parent council next meeting is Tuesday January 10th 2023 at 5:00pm at Andrew Mynarski School.

There are endless volunteer opportunities for parents throughout the year. During these events, you will have the opportunity to develop an engaging relationship with staff and students at AMVC.

Every minute of your time makes a difference toward enhancing our children's education and contributing to a positive school environment at Andrew Mynarski.

We encourage you to become a volunteer and help make an impact in our students' future.

Our PAC meetings are the first Tuesday of the month at 5:00 pm at AMVC.

Volunteer Drivers

Parents are reminded that a Volunteer Driver Form must be completed, signed and submitted to the office before transporting students on any Out of School Education related activities or events approved by the school and/or WSD during the current school year. Drivers must also be in possession of a valid drivers license and vehicle registration. AMVC office will require copies of these documents once per school year.

Parent Involvement Matters!

BASKETBALL SCHEDULE
