

FRANCE RECIPROCAL EXCHANGE PROGRAM

LIVE. LEARN. EXPERIENCE FRANCE.

TAKE YOUR FRENCH BEYOND THE CLASSROOM

What if you could attend school in France, live with a French host family, practice French every day and experience another culture firsthand?

The France Reciprocal Exchange Program gives Grade 10 French Immersion students the opportunity to experience life in France through an authentic school and family exchange.

Your family will have the opportunity to welcome a French student into your home, allowing both students and families to experience another culture.

THIS IS MORE THAN A TRIP
